

# Please! Don't Put Me in Charge!

## PROGRAM DESCRIPTION

**Objective:** Inspire each person to shed their reluctance to be a person of influence both at work and in life. Without courage, it is easy for your employee to declare, "I'm not a leader."

**Summary:** This program gives the emerging or novice leader the ability to transform from a Reluctant Leader™ into an influential person who leads with courage and conviction.

Unless your key employees step up to influence others, have impact, and serve as agents of change your organization will stagnate, underperform, and lose valuable employees. You want these men and women to confidently step up and say "yes."

**Keynote:** Don't Let Your Reluctance to Lead be Your Career Stopper

**2-hour:** Awaken the Influencer Within by Going through the Leader Door™ with Confidence

**4-hour:** You Can Lead Others Once You Master Leading Yourself! A High Road® Solution

## WHY MY PRESENTATION IS EFFECTIVE

A presentation is a waste of time if the attendee does not get an 'A-HA' moment or cannot use the information.

- I facilitate a learning process where, from the beginning, attendees formulate solutions for their issues.
- The attendee gets real-life solutions instead of theories and understands the WHY before we go into the HOW.
- The tools and solutions I share are proven effective because they work for me, my clients, and my teams.
- The attendee learns faster and retains the information longer because it is anchored with stories, humor, creative learning techniques including reinforcement and visual cues.
- By the end of the program, the attendee has written an individualized action plan for improvement.

## PROGRAM FORMATS

**Keynote:** An overview of the problem and suggested solutions.

**2-hours:** A briefing on the issue and creation of one viable solution.

**4-hours:** A hands-on problem solving session.

To customize material for your audience, Ron uses his Sparkplug™ Research Process.
